

Ganges River Gallery Walk **Student Version**

Part 1 Directions:

Work with your partner to answer the following questions about the Ganges River Gallery Walk.

1. What types of activities are taking place in the images? What are the people in the images doing?
2. For what purposes (practical, religious, etc.) does it seem people use the Ganges River?
3. What types of pollution do you see in the images?
4. What can you infer about the Ganges River from these images?
5. What questions do you have about the images?

Part 2 Directions

After completing the Gallery Walk, work with your partner to think about the causes and effects of Ganges River pollution. Then fill out the graphic organizer below.
