

**World History I**  
**Essential Question Note Catcher**

**ROMANS**

CATEGORIES	THINGS TO CONSIDER	NOTES
<b>GEOGRAPHY</b>	What was it like there and how did it influence their way of life (food, shelter, enemies, clothing, economy, trade, natural barriers)?	
<b>CONFLICTS AND COOPERATION</b>	Who did they have conflict with and why? How did they deal with conflict? In what ways did they cooperate?	
<b>ORGANIZATION</b>	How did they organize their society (laws, government style, religions, social classes)?	
<b>RISE AND DECLINE</b>	Why did they rise in power (advanced technology, access to resources, strong organization, strong economy, etc.)? Why did they decline in power (corruption, natural disaster, illness, lack of money, etc.)?	
<b>TECHNOLOGY - ADVANCEMENTS</b>	What types of technology did they have (weapons, tools, ideas on how to organize or rule, ideas on how to make things easier or more efficient, etc.)?	
<b>HISTORY - ARTIFACTS</b>	What kinds of artifacts did they leave behind (think about items we looked at and discussed in class) and what does it tell us about their civilization?
